The lands on which Bridgeway Estates is to be constructed is referred to herein from time to time as the "Development Lands".

ARTICLE 2 - UNIT BOUNDARIES AND COMMON ELEMENTS

1. A vacant land condominium plan is one in which no buildings or structures are required to be completed on any of the units. It is expected that the condominium will be registered before any homes are constructed.
2. The boundaries of the units are the "lot lines" as shown on the survey plans that describe the Development Lands. Each purchaser of a unit shall also purchase a home to be constructed within the unit. Each home and homesite, including all of the exterior building envelope, structural components, driveway, front and rear yard, and so forth, shall be fully contained within the unit. Also contained within the unit is the portion of the sidewalk extending along the front of the Unit bordering the common element roadway.
3. All parts of the property that are not designated as part of the units are common elements. These include community mailbox, curbs, sidewalks, roadway, and may include street lighting, though some of these that effectively serve the property may also be located outside the condominium on municipal land. The condominium shall also include some green space to help meet the storm water management requirements for the Development Lands and neighbouring properties.

Use for short term or transients leasing, as an inn, rooming house, "bed & breakfast," and similar uses are all prohibited.

However, see Schedule D for varied payment obligations while the Declarant owns any unit.

Notice of rescission

- (7) To rescind an agreement of purchase and sale under this section, a purchaser or the purchaser's solicitor shall give a written notice of rescission to the declarant or to the declarant's solicitor. 1998, c. 19, s. 74 (7).

Declarant's application to court

- (8) Within 10 days after receiving a notice of rescission, the declarant may make an application to the Superior Court of Justice for a determination whether the change or the series of changes on which the rescission is based constitutes a material change, if the purchaser has not already made an application for the determination under subsection (5). 1998, c. 19, s. 74 (8).

Refund upon rescission
