Unit Owners who intend to rent their Units on a short term basis (i.e., for terms of less than one-year), as vacation properties or otherwise, may do so provided that they first notify the Board of such intention on the earlier of (i) the day that is seven days prior to the date on which the Unit is first to be advertised for such rental, and (ii) one month prior to the date on which any such rental period shall commence.

No Unit Owner shall lease, license or otherwise give occupancy (herein, a “tenancy”) such Owner’s Unit to any person (herein, a “tenant”) whose occupancy would be contrary to the provisions of this Declaration and (including in the case of short term rentals pursuant to section 1.b.ii of this Article) until such Owner first delivers to the Board at least one week in advance of such proposed tenancy:
  - a. A written statement signed by the Owner representing and warranting that the proposed occupancy by the intended tenant(s) of the Unit shall comply in all respects with the conditions and restrictions on occupancy that are set out in this Declaration; and
  - b. an acknowledgement and undertaking signed by the proposed primary tenant containing:
    - i. the legibly printed name(s) of each person who is proposed to occupy the Unit pursuant to such tenancy; and
    - ii. the following statement without omission or amendment:
 

*I acknowledge receiving copies of the Declaration, By-laws and Rules of the Corporation and hereby undertake, covenant and agree that I and all other tenants and guests of the Unit from time to time will, in using the Unit rented by me and the common elements of this Condominium Plan, comply with the legislation applicable to condominiums in Ontario, the Declaration, By-Laws and all Rules of the Corporation, and the applicable provisions of all municipal development, site plan and other agreements, all utility easement agreements and all restrictive covenants affecting the Unit and common elements during the term of the tenancy.*

Failing the delivery of such documents, such tenancy is not permitted.

This provision does not apply to the Declarant. The deliveries described herein are not required from or with respect to a member of the Unit Owner’s own household dwelling with the Owner in the Unit.

#### **Unit Components**

  - a. each Unit shall exclude all pipes, wires, cables, conduits, ducts, flues, shafts, public utility lines used for power, cable television, water, heating, air conditioning or drainage, and mechanical or similar apparatus that provide any service or utility to more than one Unit, or to the common elements, or that may lie within the boundaries of any particular Unit but which do not service that particular Unit; and
  - b. except for lateral feeds to and from the Unit, each Unit shall include all parts of a Unit’s Unit Systems (as hereinafter defined), heating, ventilating and air conditioning (if any) equipment, metal sleeves, pipes, flues and vents and related equipment, all furnace and fireplace, chimneys and flues and related equipment and all pipes, wires, cables, conduits, ducts, and related junction boxes, fixtures, outlets and other facilities relative to utilities

No meter shall be hidden, obscured or blocked so that it cannot be easily and conveniently read by the person charged with the responsibility to read such meter. The Declarant (including any successor) and the Corporation have the right to enter any Unit and install any pipes, vents, meters, wires, ducts, cables, drains, conduits, service connections, equipment and/or mains.

This foregoing part of this paragraph is not applicable to AC equipment placed by or on behalf of the Declarant. All AC equipment must be kept in good repair by the owner of same so that the noise from same is kept as low as is reasonably possible. All components of such AC equipment shall form part of the Unit so that the Unit Owner of the said Unit is responsible to maintain, repair and replace the same as required by the Board in its discretion (exercised reasonably) or the Declarant while it has any ownership interest in any Unit.

#### ARTICLE V: MAINTENANCE AND REPAIRS

##### Units, Generally

1. Each Unit Owner must maintain and repair such Unit Owner's Unit, and any and all improvements to such Unit.
2. Any work within a Unit that requires a building permit may not be performed without the approval of the Municipality and prior written consent of the Declarant while it owns any Unit, and thereafter of the Board, which consent may be arbitrarily withheld.
3. No Owner shall perform any repair, removal or make any other change to or affecting a party wall without first obtaining consent of the Board in writing and then only upon such conditions as the Board, acting reasonably, may impose.
4. If the Corporation carries out any repair to more than one Unit due to failure by the Owners of such Units to carry out such Owners' repair obligation within a reasonable time after damage occurs, the Corporation shall have absolute discretion to apportion the cost of such repair amongst the Units as it deems reasonable, which apportioned cost shall be added to each Unit's contribution to the common expenses in accordance with the Act.
5. If a construction lien is registered against one or more Units as a result of maintenance or repair of one or more Units, the Owner(s) having contracted for the subject work shall immediately remove the lien, failing which the Condominium may, at its option, obtain a discharge of the lien by:
  - a. paying the amount claimed under the lien into court;
  - b. posting a bond; or
  - c. any other method available to it;

and any such payment and other costs incurred by the Condominium in so doing (including all legal fees, charges and disbursements and applicable taxes) will be borne solely by such Owner(s) and shall be for all purposes common expenses payable by such Owner(s) and therefore the subject matter of a lien pursuant to the Act if not paid upon request by the Board.

6. As cool temperatures in a Unit can:
  - a. cause heat loss to nearby Units;
  - b. cause damage to components of the Unit; and/or
  - c. lead to freezing water pipes,

each Unit Owner is responsible for ensuring that the temperature in such Owner's Unit does not fall below 15 degrees Celsius at any time. The Corporation shall, to effect and maintain such

temperature, be entitled to repair and if necessary replace the heating apparatus with respect to any such Unit at the expense of the Unit Owner in question. Any costs incurred by the Corporation in maintaining the temperature within a Unit to at least fifteen (15) degrees Celsius (including maintenance, repair or replacement of the heating apparatus) shall be payable by the Unit Owner forthwith upon the expenditure being incurred. If the Unit Owner does not pay the cost of maintaining the temperature in the Unit to fifteen (15) degrees Celsius and the Corporation does have to expend money to do so, then, the monies expended by the Corporation shall be deemed to be a common expense and an item of repair for which the Unit Owner is solely responsible. The cost can therefore be subject to a lien pursuant to the Act.

#### **Grounds Maintenance in Units**

7. Each Unit Owner is hereby deemed to have contracted with the Corporation to have the Corporation or its contractor perform grass cutting on lawns located within Units, the frequency and manner of which shall be determined by the Board in its sole discretion from time to time. The costs of these services shall be assessed by the Corporation and allocated to each Unit Owner in accordance with the proportionate shares of common expenses set out in this Declaration, and shall be paid by the Owners along with payment of such common expenses, and, if unpaid as and when due, shall for all purposes be deemed to be additional common expenses payable by the Owner and which are in arrears from the due date for the payment thereof.
8. The Corporation shall not be required to perform any of the services set out in the foregoing provisions if the lawn area is obstructed to any extent that, in the sole and exclusive opinion of the Board, would render such work dangerous, impossible or otherwise difficult to perform, or that would increase the time and/or cost incurred to complete such services in a proper and professional manner. The Corporation shall not be required to perform lawn maintenance services in any portion of a Unit where the Owner thereof has installed permitted landscape features, gardens or other plantings, and the Corporation shall not be responsible for the care thereof unless otherwise privately agreed to between the Corporation and the Owner of the Unit in question.
9. Notwithstanding the foregoing, each Owner of a Unit must maintain and keep the exterior and yard areas of such Owner's Unit, including all decks and/or patios and porches therein, in a neat and tidy condition as required by the Board, and:
  - a. Nothing may be stored in any front, rear or side yards, if any, or on the porches or decks or patios of a Unit, other than seasonal furniture or other decorative items permitted by the Board and located on a rear deck and/or patio, which the Board may require to be taken inside the Unit in the off-season;
  - b. one barbeque that is in good operating condition may be kept, and (subject to applicable by-laws or regulations of the Municipality) made use of, on the rear yard, deck and/or patio of a Unit throughout the year; and
  - c. each Unit Owner is responsible for maintenance and repair of any gardens, plantings and landscaping located in the front, rear, or side yard, if any, areas of such Owner's Unit, that are permitted by the Board to be made pursuant to the provisions of this Declaration and the Act;

### **ARTICLE VI: UTILITIES**

#### **Metering**

1. It is intended that gas, electricity, water and/or every other utility supplied to a Unit shall be separately metered for such Unit, such that the costs thereof are to be paid by the Owner of the Unit to which the same are supplied and do not form part of the common expenses or budget of the Corporation.
2. All costs associated with utility services supplied to the common elements, if any, shall be common expenses.
3. If at any time any utility service supplied to the Units is "bulk metered" by the supplier of same, the cost thereof shall be included in the common expenses for the Corporation, unless and until the Municipality or supplier of the same shall install individual meters and charge for the supply thereof in accordance with the measurements on such meters, whereupon paragraph 1 of this Article shall apply in respect of the payment for usage of such utility supply. Additionally, the Declarant or the Corporation may elect to have installed, and to measure the usage of any bulk metered utility supplied to the Units by, private flow meters (or such other devices as permit recording of such supply to individual Units). If this is done and the same are installed and operating, the following provisions which shall apply and be in force and effect from the time that such private flow meters or other similar devices are installed and operating:
  - a. Each Unit Owner is responsible to pay the cost of the utility supplied to such Owner's Unit as determined by the Board, which determination shall be based on the amount of such utility supplied by reference to the said meter or other similar device for such Unit.
  - b. For the purposes of collecting such payments, the Board may in its sole discretion acting reasonably estimate an amount to be paid each month by the Owner(s) of each Unit and shall then make an annual or other periodic adjustment (the actual timing thereof to be determined by the Board in its sole discretion) in accordance with the actual charges by

the supplier of such utility and the amount of such utility supplied to each Unit as determined by the Board's reading of the said meters or other similar devices.

- c. The monies to be paid for such utility pursuant hereto shall not be considered a budget item for the determination of the common expenses of the Corporation and no credit for any payment made by an Owner in accordance with these provisions shall be applied against such Owner's obligation to pay common expenses. However, any monies owing for such usage metered by private meters or other similar devices shall be a debt owed to the Corporation by the Owner(s) of the Unit in respect of which such usage is measured and shall be collectible as if the same were common expenses in arrears and for such purposes only shall be considered common expenses and therefore the subject matter of a lien pursuant to the Act if not paid upon request by the Board.
- d. Interest will accrue on arrears of monies owing for such utility service usage at the same rate as interest accrues on arrears of common expense payments.

#### **Payment by Corporation**

4. Although the Corporation shall not be obligated to pay any part of an Owner's arrears or other payments required from the Owner by the Municipality or supplier in connection with any utility service, the Corporation may in its sole discretion elect to do so. In the event the Corporation does pay any part of an Owner's arrears or other payments required from the Owner by the Municipality or supplier in connection with a utility service, such amount as well as any other costs, expenses or charges that arise on account of any act or omission of or by a Unit Occupant with respect to the supply of any utility service to the Unit in which such Unit Occupant resides, shall be the responsibility of the Owner who owns the Unit in question to repay to the Corporation and shall constitute common expenses of such Unit which are to be paid as and when required by the Board and may be the subject of a lien pursuant to the Act if not paid as and when required by the Board.

3. At no time shall there be more than two (2) dogs, or two (2) cats, or one (1) dog and one (1) cat, kept in a Unit by a Unit Occupant. 4. Despite any of the foregoing, because the presence of certain breeds of dogs or aggressive dogs or dogs which give the impression of being aggressive may give concern to other Unit Occupants, there shall be no dog allowed anywhere on this Condominium Plan of, or which are a cross including one or more of, the following breeds or types: any dog type banned by municipal or provincial authority; any sort of guard dog or dog originally bred for fighting or such other breed as the Board may determine from time-to-time. It is within the Board's uncontrolled and absolute discretion to determine what breeds and what specific dogs are not permitted on this Condominium Plan, which discretion is not subject to being explained or questioned.
5. The Board has the absolute jurisdiction and authority to determine if any dog is a member of a prohibited breed or a cross breed whose lineage includes a prohibited breed and to require the permanent removal of such dog from the Condominium Plan, provided that, upon the Board notifying a Unit Occupant that a determination has been being made with respect to a dog that appears to reside in or visit such Unit, the Board may in its sole discretion give the Unit Occupant an opportunity to challenge such determination by submitting one or the other of:
  - a. a certified pedigree issued by the Canadian Kennel Club that positively identifies the dog in question by tattoo or microchip and confirms that such dog does not have any of such prohibited breeds in its pedigree; or
  - b. a completely unqualified written certificate to the Corporation that states therein the Corporation is entitled to rely on same from a veterinarian that certifies there is no doubt of any nature or kind that:
    - i. the dog examined by the veterinarian is the dog that has been designated by the Board as being a member of a prohibited breed or a cross breed whose lineage includes a prohibited breed;
    - ii. and that such dog is not a member of a prohibited breed or a cross-breed whose lineage includes a prohibited breed.

No other evidence shall be considered by the Board to support any such permitted challenge. Such evidence shall not be relevant to a demand for removal from the Condominium Plan of a dog that the Board has determined to be aggressive or threatening or to be acting aggressively or in any sort of a threatening manner and the Board shall not be required to otherwise explain or justify its decision to order such removal.

#### **Care and Handling**

6. 7. If any pet should defecate in any area located within the Condominium Plan, the person accompanying the pet shall immediately clean up the soiled area and has a duty to do so. The Board has the right to collect the costs of actual clean-up of any defecation left anywhere within this Condominium Plan from the Unit Owner of the Unit in which such pet resides or visits in the event that the person accompanying the pet fails to immediately clean up the soiled area, with such costs being deemed to be a common expense and an item of repair for which the Unit Owner is solely responsible.
8. It is the responsibility of the Unit Owner to ensure that no pet being kept within such Owner's Unit causes any disturbance or nuisance including, without limitation, excessive noise or offensive odour.

#### **Order for Removal**

9. No pet is permitted to be kept anywhere on the Condominium Plan that is:

The pet in question must be removed from the Condominium Plan within fourteen (14) days from the date such order is delivered to a Unit Occupant of the Unit in which such pet resides or visits, subject to the discretion of the Board to demand a shorter time period for removal where the pet in question is considered dangerous or its presence gives rise to a risk of property damage or personal injury to any person.

#### **Medically Necessary Exceptions**

10. Any restrictions, rules or prohibitions with respect to pets are subject to one or more exceptions which can be made for medical reasons in the discretion of the Board reasonably exercised, upon receipt of adequate documentation including without limiting the generality of the foregoing, evidencing:

11. The necessity of a seeing eye dog (or other suitably trained animal), hearing ear dog (or other suitably trained animal) or other animal which would otherwise be prohibited, accompanying a person with a right of access to the common elements of this Condominium Plan must be established by sufficient documentary medical evidence of a physician licensed to practice in the province of Ontario. In addition, while one or more exceptions may be made as aforesaid, any such animal must be kept under reasonable control and not cause any undue disturbance or annoyance to any other Unit Occupant.
12. The Board has the discretion but not the obligation to permit other pets that might otherwise be prohibited, if the need for such other pet is established by sufficient documentary medical evidence of one or more licensed physicians in the province of Ontario.

Schedule E**COMMON EXPENSES**

“Common Expenses” means the expenses related to the performance of the objects and duties of the Corporation and includes all expenses specified as Common Expenses in the Act or in the Declaration of which this is schedule forms a part, including (without limiting the generality of the foregoing):

1. Anything that is determined by By-law to be a Common Expense.
2. Interest on Common Expense arrears calculated monthly from the date the Common Expenses were due at two percent above the commercial rate of interest per annum established and reported by any one of the five (5) largest chartered Canadian banks chosen by the Board in its absolute discretion from time-to-time as a reference rate of interest for the determination of interest rates that such chosen bank charges to customers of varying degrees of credit worthiness in Canada for Canadian dollar loans made by it in Canada as of the date that the Common Expenses in question were due. Such interest shall be deemed to be part of the Common Expenses that are in arrears. Any lien that arises because of the failure of a Unit owner to pay Common Expenses when due shall also include such interest. Such lien is not released until such interest is paid. If this rate of interest is not capable of being determined for any reason or is no longer in existence, the Corporation shall have the right to establish a rate of interest in lieu thereof by By-law. In such event all references to a rate of interest in the foregoing shall mean the rate of interest established by By-law.
3. A surcharge imposed by the Board, in its sole and absolute discretion, on the Owner(s) of any Unit, if any Unit Occupant(s) of such Unit is determined, by the Board in its sole discretion, to be using an excessive amount of any Corporation provided service, facility or utility (meaning any service, facility or utility paid for by the Corporation), which the Board is hereby empowered to impose. The amount of such surcharge shall be an amount that the Board of Directors in its absolute discretion determines represents the value or cost of the excess use by the Unit Occupant(s) of the Unit in question of any Corporation provided service, facility or utility and shall be considered Common Expenses owing by the said Unit Owner(s) which are due upon written demand for payment being made by the Board.
